TRINITY 78. WORCESTER 48.

Trinity won her first dual track meet of the year Saturday, at Worcester, by defeating the Worcester "Tech" team. The score was 78 to 48 and this indicates to some degree the easy manner in which the Old Gold and Blue won from their opponents. At no time was Trinity in danger of losing the meet and with continued training and practice, the undergraduates have the right to expect much along the line of track athletics this season and even next year.

"Tech" secured first in the shot-put, the pole vault and 220-yards dash. A heavy track caused by a continued rain, raw air and a strong northwest wind that swept down the home stretch caused slow time in the several events. For "Tech", Davis was the highest scorer with eight points. His best performance was in the 220-yards dash, when he nosed in ahead of Taylor. He also got second place in the 100-yards dash.

Pond of Trinity made a jump of 21 feet 11 1/4 inches in the running broad jump, while he and Grout of "Tech" were trying for second place. Harmon had first honors easily, so it was thought, when the judges decided to let Grout and Pond jump off for the second medal. On the third try Pond surprised every one by going a foot in advance of Harmon's best mark. The latter tried his best to equal the mark but failed. Charles J. O'Connor, Trinity's coach, and Coach Edward J. O'Connor of the "Tech" team are brothers.

Captain Olmsted, H. C. Pond and Taylor, all of the class of 1908, tied for first honors, all three having thirteen points to their credit.

The summaries were as follows:—

120-yards high hurdles—Won by Olmsted of Trinity; Pond of Trinity, 2d; Ellsworth of Technology, 3d; time, 17 seconds.

Shot put—Won by Larned of Technology; Donnelly of Trinity, 2d; Collins of Trinity, 3d; distance, 34 feet 10 inches.

100-yards dash—Won by Taylor of Trinity; Carleton of Technology, 2d; Bartlett of Technology, 3d; time, 10 1/2 seconds.

Mile run—won by Morris of Trinity; Carleton of Technology, 2d; Bartlett of Technology, 3d; time, 5 minutes 14 seconds.

High jump—Olmsted of Trinity and Hall of Technology tied for first place at 5ft. 1 1/2 in. (each given four points); Roberts of Trinity, 3d. In jump off for first prize Olmsted cleared the bar at 5ft. 1 in.

440-yards dash—Won by Taylor of Trinity; Kennedy of Technology, 2d; Oliver of Trinity, 3d; time, 54 1/2 sec.

Hammer throw—Won by Maxson of Trinity; Searle of Technology, 2d; Simonds of Technology, 3d; distance, 101ft. 2 in.

SENIOR "PROM" MUSIC.

The Senior promenade this year bids fair to be one of the best ever held. Many alumni have expressed their intention to be back at this time and promise to help make this and the other events of Senior week in every way successful. The committee have arranged the music for the dances, consisting of two-steps and waltzes alternating, as follows:—

TRINITY TRIMS STEVENS IN A FAST GAME.

On Trinity field last Saturday afternoon, Trinity defeated Stevens by the score of 3 to 1. This is the first game Trinity has won this year, and to everyone the prospects for the success of the team during the rest of the season are good.

The weather conditions were not the best possible for baseball, but despite this fact, both teams put up a snappy game. Trinity scored two runs in the first inning on a base on balls, a hit and an error. The score was raised from two to three by Trinity in the second, Connor scoring by Cook's hit. In the seventh Perkins got to first on Xander's error, Henes struck out and Robeson flied out to Xanders. Steinmetz touched Cook for a hit, advancing Perkins to second. Utz was up next and should have been an easy out, Xanders to Badgley, but another wild throw and Perkins scored. Cook struck out Hearsey, retiring the side. This was the only run made by the visitors. Throughout the entire game Trinity played a good steady game, especially in quick fielding. Cook was in fine form, and pitched a game that was a credit to Trinity and to himself. Sturgis, who was in the box for Stevens, was also an old timer at the game and held Trinity down to eight hits.

TRINITY vs PRINCETON TOMORROW.

The 'varsity baseball team plays Princeton on their field, to-morrow at 3 p. m. Though Princeton is always on our schedule, the last game played with them was two seasons ago, last year's game being called off on account of rain. In the game of 1905, Princeton won by the score of 4 to 2, though Badgley, who was in the box for Trinity, allowed but two hits. With the team in good form and Captain Badgley again in the box, we have hopes for a victory this year.

The line-up for Trinity will be: Rich, sf; Smith, c; Xanders, 3b; Badgley, p; Potter, 2b; Connor, lf; Gildersleeve, ss; Donnelly, 1b; and Meyers or Cook, rf.

PROFESSOR LAVELL TO LECTURE THURSDAY.

Professor Cecil F. Lavell of the History Department will speak Thursday evening May 16th, in Alumni Hall, on "The Liberation of Italy." This is the last of the public lectures arranged for by the committee on lectures and entertainment.

Those who have heard Prof. Lavell speak, and there are many, even outside of those who take his courses, know the deep interest his hearers feel for what he has to say, and this fact indicates that there will be a large audience present.

NOTES.

Lectures in Physiology and Hygiene I., a course required of Freshmen, were commenced Monday, May 13th, in Natural History lecture room, with Dr. Swan as instructor. An examination in this course will be held on Saturday.

"NOW THEN—TRINITY!"

EDITORIAL.

We sincerely believe that the few loyal, really loyal men, that attended the baseball game Saturday showed better spirit than we have seen on the athletic field in sometime. But, what a representation of a college of two hundred men to send to a contest which was of so much importance to Trinity.

True it is that the day was unfavorable for baseball but the players could not wear overcoats yet they put up as snappy a game of baseball as one could desire to see and defeated their opponents. Now every man on the team appreciates a victory and they more than anybody else regret a defeat. But the "Tripod" cannot see how men in college who are not even in the Athletic Association, who do not attend either practice or games and who could not even play ping-pong have the right to "knock" the team.

We have two games in Hartford this week. Friday we play Union and Saturday the C. C. of N. Y. team will be our opponent. We have been defeated by both these colleges this season but we have a far stronger team than either institution can produce and we must

win both games. The players will do their part and they do it every afternoon of the week and so let us all be present Friday and Saturday to do our share in winning the games.

The half-hearted half of a college body give little support or encouragement to any contesting team. Union is one of the cleanest and most friendly of any college which we may justly call a rival and Friday we must win from her. If every man is present Union or any other team of her standard could never win from us with the "Trin" of two hundred men constantly ringing in the ears of the team.

Saturday was a most successful day for Trinity along athletic lines. Trinity won their first track meet of the season from Worcester "Tech" and the baseball team defeated Stevens.

The score was so large in the track meet that it could not have been especially interesting but every Trinity man is desirous of ever seeing Trinity easily outclass her rivals and this the track team surely did in excellent style. It was a very poor day for a meet but several records were broken and from all reports we should make a good showing at the N. E. I. meet this year, in addition, to winning all our dual meets. The Tripod extends its hearty congratulations to the team, captain and coach.

The Tripod is wondering whether or not the undergraduates of Trinity will allow another college year to pass without the organization of a college senate. During the past month an occasion arose when the president wished to meet a representative body of college men. Whether or not it is known, Dr. Luther was obliged to call in the members of the Senior Honorary Society and then appoint a number of juniors to confer with him about a matter of interest to all.

Now this in itself is not of especial importance but it serves well to illustrate to every man in college the absolute necessity of the formation of some council or senate or other form of what is commonly called student government.

The advantages of a college senate are too numerous to mention and we do not wish to do any more at this time but bring it once more to the attention of Trinity men.

In the course of a week or two we hope to mention it again editorially and at that time suggestions will be made which it is earnestly hoped will be acted upon by the college body and in the meantime let everybody think it over. It would be one of the best things for Trinity!

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company. In a company that earns, declares, and pays annual dividends. In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.
